<i>Add/delete rows as necessary</i>	

Project details

1. Project Outline	<p>Please briefly outline your project, ensuring that you clearly articulate the objectives and resulting outcomes (150 words max).</p> <p>If successful in receiving funding, this outline will be displayed on the MICF website.</p>

2. Project Benefit	<p>Please describe the benefit to the conservation of Macquarie Island arising from your project. Include an outline of the problem being addressed and the resulting outcomes of the project (300 words max).</p>

3. Capability to Deliver	<p>Please describe how you will deliver the outcomes. This includes two parts:</p>
<p>3a. In the table below, list the key objectives of the project and activities/methods proposed to meet these objectives (max 50 words per objective and activity).</p>	
Objective	Activities
<i>Add/delete rows as necessary</i>	
<p>3b. Please detail the team involved and their experience and a proposed timeline of activities (300 words max).</p>	

What is the total amount of funds you are requesting from MICF?	
Please upload an itemised budget detailing how MICF grant funds will be spent. <u>This can be included as an attachment through the submission portal.</u>	

Other funders/supporters	If applicable, please list any other funding sources, including in-kind support, that are contributing to the project/activity

Are you a member of the Macquarie Island Conservation Foundation?	
How did you hear about this grant opportunity?	

Please submit your application via the online portal at www.macquarieisland.org/grant-round-2024

Application close 5pm AEDT 18 December 2023

You will receive acknowledgement of your submission. Any questions or issues please contact us at info@macquarieisland.org.
